

The Commonwealth of Massachusetts

In the Year Two Thousand and Eight.

AN ACT PROVIDING FOR THE PRESERVATION AND IMPROVEMENT OF LAND, PARKS, AND CLEAN ENERGY IN THE COMMONWEALTH.

Whereas, The deferred operation of this act would tend to defeat its purpose, which is to provide for preservation and improvement of the environmental assets of the commonwealth, therefore it is hereby declared to be an emergency law, necessary for the immediate preservation of the public convenience.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

SECTION 1. To provide for a capital outlay program of improvement and preservation of the environmental and transportation assets of the commonwealth, the sums set forth in section 2A and section 2B, for the several purposes and subject to the conditions specified in this act, are hereby made available, subject to the law regulating the disbursement of public funds, which sums are in addition to amounts previously appropriated for such purposes.

There is no Section 2.

SECTION 2A.

shall be carried out according to standards developed by the department of conservation and recreation pursuant to historic parkways preservation treatment guidelines to protect the scenic and historic integrity of the bridges and parkways under its control; and provided further, that final design of the bridges shall be subject to the review and approval of the commissioner of the department of conservation and recreation; provided further that notwithstanding any other general or special law to the contrary or other provisions of this section, the Storrow Drive tunnel, as part of the Storrow Esplanade parkland in Boston, shall continue to be under the design control of the department of conservation and recreation, including compliance with Chapter 30, Sections 61 to 62H \$250,000,000

SECTION 3. Paragraph (a) of section 12 of chapter 372 of the acts of 1984, is hereby amended by striking out the fifth sentence, as most recently amended by section 62 of chapter 139 of the acts of 2006, and inserting in place thereof the following sentence:- The aggregate principal amount of all bonds issued under authority of this act shall not exceed \$6,450,000,000 outstanding at any one time; provided, however, that bonds for the payment of redemption of which, either at or prior to maturity, refunding bonds shall have been issued shall be excluded in the computation of outstanding bonds.

SECTION 4. Section 16 of said chapter 372 of the acts of 1984 is hereby amended by striking out the fourth sentence, as most recently amended by section 63 of chapter 139 of the acts of 2006, and inserting in place thereof the following sentence:- The aggregate principal amount of all bonds issued under the authority of this act shall not exceed \$6,450,000,000 outstanding at any one time; provided, however, that bonds for the payment of redemption of which, either at or prior to maturity, refunding bonds shall have been issued shall be excluded in the computation of outstanding bonds. **SECTION 5.** To

meet the expenditures necessary in carrying out section 2A, the state treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth, in an amount to be specified by the governor from time to time, but not exceeding, in the aggregate, the sum of ~~\$1,288,680,000~~ ^{\$1,338,680,000.} ✓ All bonds issued by the commonwealth, as aforesaid, shall be designated on their face, Preservation and Improvement of Environmental Assets Loan Act of 2008, and shall be issued for a maximum terms of years, not exceeding 30 years, that the governor may recommend to the general court under section 3 of Article LXII of the Amendments to the Constitution. All these bonds shall be payable not later than June 30, 2043. All interest and payments on account of principal of these obligations shall be payable from the General Fund unless otherwise specified. Bonds and interest on bonds issued under the authority of this section, notwithstanding any other provision of this act, shall be general obligations of the commonwealth.

SECTION 6. To meet the expenditures necessary in carrying out section 2B, the state treasurer shall, upon request of the governor, issue and sell bonds of the commonwealth in an amount to be specified by the governor from time to time, but not exceeding, in the aggregate, the sum of \$325,000,000. All bonds issued by the commonwealth, as aforesaid, shall be designated on their face, Environmental Transportation Assets Loan Act of 2008 and shall be issued for a maximum term of years, not to exceed 30 years, that the governor may recommend to the general court under section 3 of Article LXII of the Amendments to the Constitution. All these bonds shall be payable not later than June 30, 2043. All interest and payments on account of principal of these obligations shall be payable from the General Fund unless otherwise specified. Bonds and interest on bonds issued under the authority of this section, notwithstanding any other provision of this act, shall be general obligations of the commonwealth.

SECTION 7. Notwithstanding any general or special law to the contrary, each agency acquiring land or an interest in land under section 2A may expend an amount not to exceed 5 per cent of the amount appropriated to that agency in said section 2A for the purpose of reimbursing nonprofit land conservation organizations or land trusts for reasonable expenses directly associated with the acquisition of land or interests in land subsequently

conveyed to the commonwealth. Reimbursements shall be made at the discretion of the agency. The secretary of energy and environmental affairs shall determine by regulation what shall constitute reasonable expenses. If the commonwealth does not take title to the property through no fault of the nonprofit organization or the commonwealth, the commonwealth may reimburse the nonprofit organization for reasonable expenses associated with due diligence. An organization receiving a reimbursement under this section shall convey the land or interest in land to the agency for an amount not to exceed the actual purchase price paid by the organization for the land or interest in land in addition to any reimbursement received under this section.

SECTION 8. Notwithstanding any general or special law to the contrary, no municipality receiving funds authorized pursuant to section 2A shall use said funds to supplement or supplant normal operating expenses of any function of the municipality.

SECTION 9. Notwithstanding any general or special law to the contrary, funds may be expended for services rendered by agency employees or by consultants necessary to support projects authorized in section 2A and section 2B.

SECTION 10. Notwithstanding any general or special law to the contrary, upon acquiring any fee interest in land for purposes within Article XCVII of the Amendments to the Constitution, all state agencies, commissions and boards expending or receiving state funds under this act shall obtain the approval of the secretary of energy and environmental affairs before implementing or endorsing any prohibition of fishing, hunting or trapping on that land and shall provide the secretary with written justification of the prohibition.

SECTION 11. Notwithstanding section 30 of chapter 29 or section 65 of chapter 30 of the General Laws, or any other general or special law to the contrary, a portion of the funds authorized in section 2A may be used for the costs associated with the purchase of title insurance and services for title examinations, reports and certifications.

Section 13A: Chapter 83 of the General Laws is hereby amended by adding the following new sections:

SECTION 1A. Notwithstanding the provisions of sections 1 and 3 of chapter 83 of the General Laws to the contrary, any municipality or sewer district adopting this section is hereby authorized to lay out, construct, maintain and operate a system or systems of common sewers and main drains in public or private ways for that part of its territory as it adjudges necessary to reduce or eliminate the impacts of nutrient enrichment on surface water bodies or sources of drinking water with such connections and other works as may be required for a system or systems of sewerage and drainage, and sewage treatment and disposal. Adoption of this section is subject to majority vote of the municipality and subject further to said municipality having an approved Comprehensive Water Resources Management Plan (CWMP), as defined by the Department of Environmental Protection (DEP).

SECTION 1B. At the commencement of operation of the municipalities' sewer system authorized by section 1A of chapter 83 of the General Laws, the owner of land abutting upon a private or public way in which a common sewer has been laid shall be required by the board or officer having charge of the maintenance and repair of sewers to connect such land with a common sewer only if the land in question is within the area(s) identified in the DEP approved CWMP and has been specifically identified in the plan as requiring wastewater collection and treatment for flows in existence on said properties at the time of adoption of this act in order to protect surface waters or drinking water resources from the effects of nutrient enrichment; or the on-site subsurface sewage disposal system serving said land fails to comply with the provisions of 310 CMR 15.000, et seq. and an on-site subsurface sewage disposal system cannot be constructed on the property in compliance with said regulations and an enhanced treatment system under remedial use cannot be designed and constructed to adequately treat sewage from said property; or to service housing of which at least 15 per cent of the housing units are deed restricted to residents with incomes no greater than 80 per cent of the area median income paying no more than 30 per cent of their income towards housing. The town shall not allow an abutting property owner utilizing an enhanced treatment system under remedial use to opt out of connecting to the sewer system unless the town implements a monitoring and inspection plan approved by the department of environmental protection for such remedial system or systems. Such plan may include the assessment of a reasonable fee by the board of health to implement the monitoring and inspection plan

Notwithstanding any provision of sections 1 and 3 of Chapter 83 to the contrary, owners of land not identified in the CWMP as needing to be connected to the municipal treatment works shall not be permitted to connect to the sewer system. Said plan may be amended from time to time by the board or officer having charge of sewers, after a public hearing conducted to consider such amendment, and upon approval of the department of environmental protection. The board or officer having charge of sewers shall adopt regulations within 120 days after the adoption of this act establishing publication and notification procedures to carry out the purposes of this section.

SECTION 1C. After commencement of operations of the sewer system authorized pursuant to section 1A of chapter 83 of the General Laws, additional connections shall be permitted within the final area of concern by such board or officer having charge of the maintenance and repair of sewers, subject to available capacity, only upon certification by the board of health that the on-site subsurface sewage disposal system on land abutting upon a private or public way in which a common sewer has been laid cannot comply with the provisions of 310 CMR 15.000, et seq., or in the case of new construction, expansion of an existing structure, a change in use, or increases in flow from said land, such expansion, change in use, or increase in flow does not result in sewage flow in excess of the amount of said regulations flow capacity or actual flow resulting from a legal use of said land, whichever is greater, which existed on the date of adoption of this act as determined by the board of health. Notwithstanding anything to the contrary contained herein, the board or officer having charge of the maintenance and repair of sewers may at any time permit extensions, new connections or increases in flow to the sewer system, subject to capacity, to serve municipal buildings, public restrooms, or other public service uses, including but not limited to housing of which at least 15 per cent of the housing units are deed restricted to residents with incomes no greater than 80 per cent of the area median income paying no more than 30 per cent of their income towards housing..

SECTION 1D. Notwithstanding the provisions of chapters 80 and 83 of the General Laws to the contrary, a municipality acting under section 1A of Chapter 83 may make assessments upon owners of land abutting upon a private or public way in which a common sewer has been laid only at the time of actual connection to the common sewer. Nothing herein shall preclude the town from making estimated sewer assessments pursuant to section 15B of said chapter 83. The municipality may make equitable adjustments to the annual charges established pursuant to section 16 of said chapter 83 for the use of common sewers by owners of land who connect under this act for the purpose of insuring an equitable distribution of the total sewer system costs, including assessments and sewer use charges.

SECTION 1E. Every decision by the board or officer having charge of sewers permitting or denying a connection to the sewer system pursuant to sections 1A-1D of chapter 83 of the General Laws shall be made in writing. Any person aggrieved by such a decision may appeal said decision within 30 days of issuance pursuant to the provisions of section 14 of chapter 30A.

~~SECTION 1F.~~ In carrying out the provisions of sections 1A-1E of chapter 83 of the General Laws, a municipality shall not discriminate against any person on the grounds of race, color, marital status, physical disability, age, sex, sexual orientation, religion, ancestry or national origin in any manner prohibited by the laws of the United States, the commonwealth.

~~SECTION 1G.~~ Notwithstanding the provisions of any general or special law to the contrary, a municipality with a Comprehensive Water Resources Management Plan under review or approved by the Department of Environmental Protection is hereby authorized to establish and maintain a separate account into which it may collect and deposit and expend funds from property owners for the difference in cost between a conventional subsurface wastewater disposal system as required in 310 CMR 15.00, et seq, and the cost of a subsurface wastewater disposal system designed to reduce the nitrogen discharge from said system as long as the property in question is identified in the CWMP as being a priority for the installation of a wastewater collection and treatment system for the purposes of reducing the impacts of excessive nitrogen on marine waters and drinking water supplies. Funds from this account may be used only for the purpose of the construction, maintenance and operation of said wastewater treatment and collection works and shall be applied to toward the costs of connection and or betterment assessed to the property(s) in question.

~~SECTION 1H.~~ Notwithstanding the provisions of Chapter 44, section 7, a municipality or sewer district adopting the provisions of Section 1A is authorized to borrow and assess betterments for a term not to exceed 50 years or the useful life as approved by the Department of Environmental Protection, whichever is shorter, for the construction its wastewater treatment systems and conveyances determined; and provided further that short term borrowing may extend for a period not to exceed 5 years.

SECTION 13B: Section 6 of chapter 29C of the General Laws, as appearing in the 2004 Official Edition, is hereby amended by inserting after the words "2 per cent", in line 34, the following words:-

, but all permanent loans and other forms of financial assistance made by the trust to finance the costs of certain water pollution abatement projects on the department's intended use plan for calendar year 2009 and any subsequent calendar year up to and including 2019, that meet the criteria listed below shall provide for a subsidy or other assistance in the payment of debt service such that the loans and other forms of financial assistance shall be the financial equivalent of a loan made at a zero rate of interest, and the costs of water pollution abatement projects on an intended use plan that are eligible for a permanent loan or other financial assistance from the trust at the financial equivalent of a loan made at a zero rate of interest shall not exceed 35 per cent of the total costs of all water pollution abatement projects on the intended use plan. Projects that meet the following criteria, as verified by the Department of Environmental Protection, are eligible for the zero rate of interest loans:

1. The project is primarily intended to remediate or prevent nutrient enrichment of a surface water body or a source of water supply;

2. The applicant is not currently subject, due a violation of a nutrient-related Total Maximum Daily Load standard or other nutrient based standard, to a Department of Environmental Protection enforcement order, Administrative Consent Order or Unilateral Administrative Order, enforcement action by the United States Environmental Protection Agency or subject to a state or federal court order relative to the proposed project;
3. The applicant has a Comprehensive Wastewater Management Plan approved pursuant to regulations adopted by the Department of Environmental Protection.
4. The project has been deemed consistent with the regional water resources management plans if one exists.
5. The applicant has adopted land use controls, subject to the review and approval of the Department of Environmental Protection in consultation with the Department of Housing and Economic Development and, where applicable any regional land use regulatory entity, intended to limit wastewater flows to the amount authorized under zoning and wastewater regulations as of the date of the approval of the CWMP.

SECTION 12. Notwithstanding any general or special law to the contrary, all expenditures from items in section 2A authorized as grants to non-public entities shall be expended for public purposes and shall comply with Article 103 of the Amendments to the Constitution and 815 CMR 2.00.

SECTION 13. Notwithstanding any general or special law to the contrary, the water pollution abatement trust established under chapter 29C of the General Laws may make a loan to the city of Worcester for the components within the city of the project described in Department of Conservation and Recreation Waste Water Project No. WM93-001-SIA, Waste Water Facilities Plan West Boylston – Holden – Wachusett Reservoir Project, which are on the department of environmental protection's intended use plan for calendar year 2008. Notwithstanding any general or special law to the contrary, the commonwealth shall provide contract assistance to the trust under section 6 or section 6A of chapter 29C in each fiscal year of the commonwealth in amounts sufficient to provide a subsidy or other assistance to the trust for all of the debt service payable on the loan.

SECTION 14. Notwithstanding any general or special law to the contrary, the division of marine fisheries shall make expenditures provided for in item 2300-7018 of section 2A of this act for a shore-based monitoring program of federally-managed fisheries for herring and mackerel within the commonwealth in accordance with the provisions of this section.

The division shall make such expenditures and operate the program under the direction of an oversight committee which shall consist of the 9 members of the Massachusetts marine fisheries advisory commission, and 1 additional member who shall be a chairperson appointed by the secretary of the executive office of environmental affairs. The division shall report annually to the oversight committee on program performance and expenditures.

All vessels in federally-managed herring and mackerel fisheries landing catch in Massachusetts shall offload the catch only under the supervision of certified shore-based fishery observers who are employees of the commonwealth or independent third-party contractors, who shall ensure that, at minimum, the following data are collected, recorded and made available to the public in summarized fashion within 48 hours in an easily

SECTION 14A. ✓

(a) In this section, the term "Silver Maple Forest" shall refer to a property also known as the Belmont Uplands and comprised of Parcel 40-1 on the assessors' map of the Town of Belmont and an adjoining triangular parcel in the City of Cambridge.

(b) Notwithstanding sections 40F to 40J of chapter 7 of the General Laws or any other general or special law to the contrary, the department of conservation and recreation may acquire, by deed, easement, restriction, covenant or condition, but not through eminent domain, the Silver Maple Forest.

(c) Within 90 days of the effective date of this act, the Commissioner of the Department of Conservation and Recreation ("the commissioner") shall conduct an appraisal of the fair market value of the Silver Maple Forest.

(d) Within 120 days of the effective ^{may} date of this act, the commissioner shall determine an amount that the Commonwealth ~~shall~~ allocate from any lawfully available funds for the purpose of acquiring the Silver Maple Forest. This amount shall be referred to as 'the state contribution'.

(e) Upon determining the state contribution, the commissioner shall ^{inform} ~~transmit to~~ the Board of Selectman in Belmont, the Board of Selectmen in Arlington and the City Council of Cambridge, in this section called the local authorities, ^{of} the results of the appraisal and the amount of the state contribution, ^{if any.}

(f) Within 120 days of the transmittal by the commissioner, the local authorities shall each certify, in language to be determined by the commissioner, the amount of funds under their control which are available for contribution towards the cost of the acquisition of the Silver Maple Forest by the commissioner. Said funds may include funds lawfully appropriated by the appropriating bodies in Arlington, Belmont and Cambridge and may also include private funds received by or on behalf of the local authorities and held in escrow for application towards the acquisition.

(g) If the amount of said funds so certified equals or exceeds the difference between the appraised fair market value of the property and the state contribution, and if the owner of the property enters into an agreement to convey the property for conservation purposes, the commissioner ~~shall forthwith direct the local authorities to provide said funds, and~~ upon receipt of said funds, shall forthwith consummate the acquisition; provided, however, that any deed conveying said parcel shall contain the restriction required

pursuant to subsection (h). If the amount of funds received does not equal or exceed said difference, this ~~act~~ shall become null and void.

^{Section}

(h) Notwithstanding any general or special law to the contrary, the property described in subsection (a) shall be conveyed subject to a conservation restriction imposed pursuant to section 31 of chapter 184 of the General Laws, for the preservation and protection of wildlife and habitat and passive public recreation and consistent purposes. Said conservation restriction, if taken and not otherwise acquired, shall be subject to any easement or lesser interest in land held by any person or governmental agency, except for ~~said town~~, that lawfully exists and is recorded in the appropriate registry of deeds.

SECTION ¹⁷ Section 44 of chapter 85 of the Acts of 1994, as most recently amended by section 19 of chapter 236 of the Acts of 2002, is hereby further amended by inserting after the word "reservation", in line 45, the following words:- "CCC Camp in Upton state forest".

SECTION ¹⁸ Paragraph (1) of subsection (c) of section 21 of chapter 7 of the General Laws, as appearing in section 7 of chapter 169 of the acts of 2008, is hereby amended by striking out clause (i) and inserting in place thereof the following clause:-

(i) to reimburse a municipality in which the property tax receipts, including, for the purposes of this clause, payments in lieu of taxes and other compensation specified in an agreement between a municipality and an affected property owner, are reduced as a result of the mandates of RGGI or the regulation of carbon dioxide emissions from electric generating stations; provided, however, that the amount of the payment shall be the difference between the amount of the tax receipts in the current tax year and the amount of the tax receipts in the year before implementation of RGGI; provided, further, that no reimbursement shall be made if, in a tax year, the aggregate amount paid to a municipality by the owner of an electric generating station including, but not limited to, payments in lieu of taxes and property taxes, exceeds the aggregate amount paid to that municipality by that owner in the year before implementation of RGGI; and provided, further, that payments from the fund shall be prioritized so that the first payments from the fund shall be made to municipalities under this clause.

SECTION 19.

Notwithstanding

any general or special law to the contrary, a private entity engaged in a construction, development, renovation, remodeling, reconstruction, rehabilitation or redevelopment project receiving funds pursuant to this act shall properly classify individuals employed on the project and shall comply with all laws concerning workers' compensation insurance coverage, unemployment insurance, social security taxes and income taxes with respect to all such employees. All construction contractors engaged by an entity on any such project shall furnish documentation to the appointing authority showing that all employees employed on the project have hospitalization and medical benefits that meet the minimum requirements of the connector board established in chapter 176Q of the General Laws.

SECTION 20. Chapter 94B of the General Laws is hereby amended by adding the following section:-

Section 23. (a) For the purposes of this section the term "children's leaded jewelry", shall mean jewelry marketed to or intended for use by children 12 years of age or younger that contains a concentration of lead that has more than 600 parts per million total lead content as of June 1, 2009, more than 300 parts per million total lead content as of June 1, 2010 and 100 parts per million total lead content as of June 1, 2012 as determined by the United States Consumer Product Safety Commission's, hereinafter referred to as "CPSC", screening test for total lead analysis based on the Canada Product Safety Bureau Method or similar methods subject to approval by the department, or would expose a child to greater than 90 micrograms of lead per day over a chronic exposure period as determined by the CPSC acid extraction test. Children's leaded jewelry includes jewelry manufactured, shipped, or sold at retail or wholesale, indoors or outdoors, over the internet or through catalogs, and includes but is not limited to jewelry (1) sold in: (i) vending machines, (ii) toy stores or (iii) toy displays, toy departments or toy sections or (2) that may use images or otherwise be designed or packaged to be especially attractive to children.

(b) The commissioner shall treat any children's leaded jewelry as a banned hazardous substance under this chapter.

(c) Wholesalers and retailers of children's jewelry shall maintain documentation that such jewelry has been tested using the CPSC lead screening test and the CPSC acid extraction test or similar methods subject to approval by the department. The documentation shall be in the format and contain information required by protocols established by the department, and shall be made available to the department and consumers upon request.

(d) The commissioner shall promulgate rules and regulations to carry out the purposes of this section or to facilitate compliance therewith. Except for emergency regulations adopted pursuant to section 2 of chapter 30A, any regulation, as defined in section 1 of said chapter 30A, or any amendment or repeal of any such regulation adopted by the commissioner pursuant to this section, shall, after compliance with all applicable provisions of said chapter 30A, except section 5, be submitted to the general court. Said commissioner shall file the proposed regulation, amendment or repeal with the clerk of the house of representatives, together with a statement that the pertinent provisions of said chapter 30A, except section 5 have been complied with. The clerk of the house of representatives, with the approval of the president of the senate and the speaker of the house of representatives, shall refer such regulations to the joint committee on consumer protection and professional licensure. Within 30 days after such referral, said committee may hold a public hearing on the regulations and shall issue a report to said commissioner. Said report shall contain any proposed changes to the regulations voted upon by the committee. The commissioner shall review said report and shall adopt final regulations as deemed appropriate in view of said report and shall file with the chairmen of said consumer protection and professional licensure its final regulations. If the final regulations do not contain the changes proposed by the committee, the commissioner shall send a letter to the committee accompanying the final regulations stating the reasons why such proposed changes were not adopted. Not earlier than 45 days after the filing of such letter and final regulations with the said

committee, said commissioner shall file the final regulations with the state secretary as provided in section 5 of said chapter 30A and said regulations shall thereupon take effect. If no such proposed changes to the regulations are made to the commissioner within 60 days of the initial filing of the proposed regulation or any amendment or a repeal of such regulation with the clerk of the house of representatives, the commissioner may file the final regulations with the state secretary as provided in section 5 of said chapter 30A and said regulations shall thereupon take effect. ✓

SECTION ⁽²⁴⁾ 6. Section 6 of chapter 62 of the General Laws, as most recently amended by chapter 63 of the acts of 2007, is hereby amended by inserting at the end thereof the following new subsection:-

(m) (1) As used in this subsection the following words shall have the following meanings:--

"Bargain sale," the sale of an interest in real property by a taxpayer at a cost below appraised market value, when a portion of the value of the interest in real property is a qualified donation, as such terms are defined herein, and which meets the requirements of Section 1011(b) of the Internal Revenue Code of 1986, as amended.

"Certified land" or "certified lands," an interest in real property, as defined herein, the donation or bargain sale of which, as defined herein, has first been determined by the secretary of environmental affairs to be in the public interest for natural resource

protection, including, but not limited to, drinking water supplies, wildlife habitat and biological diversity, agricultural and forestry production, recreational opportunities, archaeological and historical resources, or scenic and cultural values. The secretary of environmental affairs shall assure that all certified lands are protected in perpetuity.

"Interest in real property," any right in real property in the commonwealth, with or without improvements thereon, or water, including, but not limited to, fee simple, life estate, restriction, easement, covenant, condition, partial interest, remainder, future interest, lease, license, mineral right, riparian right, or other interest or right in real property that may be conveyed concerning the power to transfer property.

"Public or Private Conservation Agency," the commonwealth, or any subdivision thereof, or any municipality, or private nonprofit corporation organized for the purposes of land conservation, which is authorized to do business in the commonwealth, and which has tax-exempt status as a nonprofit charitable organization as described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended.

"Qualified donation," a donation, or the donated portion of a bargain sale, made in perpetuity of a fee interest in real property or a less-than-fee interest in real property, including a conservation restriction, agricultural preservation restriction or watershed preservation restriction, pursuant to chapter 184 of the general laws, provided that such less-than-fee interest meets the requirements of Qualified Conservation Contributions under the Internal Revenue Code of 1986, Section 170(h).

"Taxpayer," a taxpayer subject to the income tax under this chapter.

(2) A taxpayer making a qualified donation of certified land to a public or private conservation agency shall be allowed a credit against the taxes imposed by this chapter.

The credit shall be equal to 50 percent of the fair market value of the qualified donation. The amount of the credit that may be claimed by a taxpayer for each qualified donation shall not exceed \$50,000.

(3) The fair market value of certified land shall be substantiated by a Qualified Appraisal, as defined in United States Treasury Regulation Section 1.170A-13(c)(3), and shall be prepared by a Qualified Appraiser, as defined in United States Treasury Regulation Section 1.170A-13(c)(5). For any taxpayer to qualify for the credit provided for in subdivision (2) of this section, the taxpayer shall at the same time as the taxpayer files a return for the taxable year in which the credit is claimed, file with the department a summary of a Qualified Appraisal, or if requested by said department, the taxpayer shall submit the appraisal itself.

(4) In any one tax year the credit used may not exceed the amount of tax liability otherwise owed by the taxpayer. The tax credit shall be taken against the taxes imposed under this chapter and shall not be refundable. Any amount of the credit that exceeds the tax due for a taxable year may be carried forward by the taxpayer to any of the 10 subsequent tax years.

(5) The tax credits provided by this subsection shall apply to transfers of interests in real property in taxable years beginning on or after January 1, 2010 and consecutive taxable years thereafter.

(6) All or any tax credits issued in accordance with this section may be in addition to any charitable deductions claimed on the taxpayer's federal income tax return for the same qualified donations of certified lands.

(7) Any taxpayer claiming a state income tax or excise tax credit under this section may not claim an additional state income tax credit or deduction during any one tax year for costs related to the same interest in certified lands.

(8) All or any tax credits which arise under this section from the qualified donation of certified land by a pass-through tax entity such as a trust, estate, partnership, corporation, limited partnership, limited liability partnership, limited liability corporation, subchapter S organization, or other fiduciary, shall be used either by such entity in the event it is the taxpayer on behalf of such entity or by the member, partner, shareholder, or beneficiary, as the case may be, in proportion to their interest in such entity in the event that income, deductions, and tax liability passes through such entity to such member, partner, shareholder, or beneficiary. Such tax credits may not be claimed by both the entity and the member, partner, shareholder, or beneficiary, for the same conveyance.

(9) All or any tax credits which arise under this chapter from the qualified donations of certified land by a married couple shall be used only if the spouses file a joint return, if both spouses are required to file Massachusetts income tax returns. If only one spouse is required to file a Massachusetts income tax return, that spouse may claim the credit allowed by this chapter on a separate return.

SECTION ²⁵ Chapter 63 of the General Laws, as appearing in the 2006 Official Edition, is hereby amended by inserting at the end thereof the following new section:-

Section 38U. (a) As used in this section the following words shall have the following meanings:-

"Bargain sale," the sale of an interest in real property by a taxpayer at a cost below

appraised market value, when a portion of the value of the interest in real property is a qualified donation, as such terms are defined herein, and which meets the requirements of Section 1011(b) of the Internal Revenue Code of 1986, as amended.

"Certified land" or "certified lands," an interest in real property, as defined herein, the donation or bargain sale of which, as defined herein, has first been determined by the secretary of environmental affairs to be in the public interest for natural resource protection, including, but not limited to, drinking water supplies, wildlife habitat and biological diversity, agricultural and forestry production, recreational opportunities, archaeological and historical resources, or scenic and cultural values. The secretary of environmental affairs shall assure that all certified lands are protected in perpetuity.

"Interest in real property," any right in real property in the commonwealth, with or without improvements thereon, or water, including, but not limited to, fee simple, life estate, restriction, easement, covenant, condition, partial interest, remainder, future interest, lease, license, mineral right, riparian right, or other interest or right in real property that may be conveyed concerning the power to transfer property.

"Public or private conservation agency," the commonwealth, or any subdivision thereof, or any municipality, or private nonprofit corporation organized for the purposes of land conservation, which is authorized to do business in the commonwealth, and which has tax-exempt status as a nonprofit charitable organization as described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended.

"Qualified donation," a donation, or the donated portion of a bargain sale, made in perpetuity of a fee interest in real property or a less-than-fee interest in real property, including a conservation restriction, agricultural preservation restriction or watershed

preservation restriction, pursuant to chapter 184 of the general laws, provided that such less-than-fee interest meets the requirements of Qualified Conservation Contributions under the Internal Revenue Code of 1986, Section 170(h).

"Taxpayer," a taxpayer subject to the income tax under this chapter.

(b) Land Conveyed for Conservation Purposes. A taxpayer making a qualified donation of certified land to a public or private conservation agency shall be allowed a credit against the taxes imposed by this chapter. The credit shall be equal to 50 percent of the fair market value of the qualified donation. The amount of the credit that may be claimed by a taxpayer for each qualified donation shall not exceed fifty thousand dollars.

(c) The fair market value of certified land shall be substantiated by a Qualified Appraisal, as defined in United States Treasury Regulation Section 1.170A-13(c)(3), and shall be prepared by a Qualified Appraiser, as defined in United States Treasury Regulation Section 1.170A-13(c)(5). For any taxpayer to qualify for the credit provided for in subsection (b) of this section, the taxpayer shall at the same time as the taxpayer files a return for the taxable year in which the credit is claimed, file with the department a summary of a Qualified Appraisal, or if requested by said department, the taxpayer shall submit the appraisal itself.

(d) In any one tax year the credit used may not exceed the amount of tax liability otherwise owed by the taxpayer. The tax credit shall be taken against the taxes imposed under this chapter and shall not be refundable. Any amount of the credit that exceeds the tax due for a taxable year may be carried forward by the taxpayer to any of the 10 subsequent taxable years.

(e) The tax credits provided by this chapter shall apply to transfers of interests in real property in taxable years beginning on or after January 1, 2010 and consecutive taxable years thereafter.

(f) All or any tax credits issued in accordance with this section may be in addition to any charitable deductions claimed on the taxpayer's federal income tax return for the same qualified donations of certified lands.

(g) Any taxpayer claiming a state income tax or excise tax credit under this section may not claim an additional state income tax credit or deduction during any one tax year for costs related to the same interest in certified lands.

(h) All or any tax credits which arise under this section from the qualified donation of certified land by a pass-through tax entity such as a trust, estate, partnership, corporation, limited partnership, limited liability partnership, limited liability corporation, subchapter S organization, or other fiduciary, shall be used either by such entity in the event it is the taxpayer on behalf of such entity or by the member, partner, shareholder, or beneficiary, as the case may be, in proportion to their interest in such entity in the event that income, deductions, and tax liability passes through such entity to such member, partner, shareholder, or beneficiary. Such tax credits may not be claimed by both the entity and the member, partner, shareholder, or beneficiary, for the same conveyance.

SECTION ²⁶ 1. (a) The secretary of the executive office of environmental affairs shall promulgate regulations that define land eligible for certification under this section 6 of chapter 62 and under section 38U of chapter 63. Regulations shall be promulgated within 180 days of passage of these sections.

(b) The secretary of environmental affairs, within five years of passage of this act, shall prepare a report to the joint committee on revenue and the joint committee on environment, natural resources and agriculture, describing the certified lands conserved under section 6 of chapter 62 and section 38U of chapter 63.

(c) The commissioner of revenue, in consultation with the secretary of the executive office of environmental affairs, shall promulgate regulations to administer under section 6 of chapter 62 and section 38U of chapter 63. Such regulations shall include provisions to prevent the generation of multiple credits with respect to the same property. Regulations shall be promulgated within 180 days of passage of this act.

(d) The commissioner, within five years of passage of this act, shall prepare a report to the joint committee on revenue and the joint committee on environment, natural resources and agriculture, calculating the annual tax savings under section 6 of chapter 62 and section 38U of chapter 63.

(e) There shall be a commission to study the transferability of tax credits under section 6 of chapter 62 and section 38U of chapter 63. The commission shall be composed of nine persons, including the commissioner of the department of agricultural resources, or his designee, who shall serve as chairman; the commissioner of the department of revenue, or his designee; one member of the house of representatives, to be appointed by the speaker of the house of representatives; one member of the house of representatives, to be appointed by the minority leader of the house of representatives; one member of the senate, to be appointed by the president of the senate; one member of the senate, to be appointed by the minority leader of the senate; a representative of the American Farmland Trust; a representative of the Massachusetts Audubon Society; a representative

of The Nature Conservancy. The commission shall examine all aspects of transferability, including but not limited to: the status of its application in other states, potential fiscal impacts, and potential conservation benefits. The commission shall file a report of its findings and recommendations, including any drafts of legislation necessary to put its recommendations into effect, with the joint committee on revenue and joint committee on environment, natural resources and agriculture on or before January 1, 2011.

SECTION ⁽²⁷⁾ ~~1~~. Nothing in sections ⁽²⁴⁾ ~~XX~~, ⁽²⁵⁾ ~~XX~~, or ⁽²⁶⁾ ~~XX~~ of this act shall be interpreted in any way to alter or amend any permitting requirements, reporting requirements, allocation procedures, or other requirements set forth in any other provision of the general laws.
